COMPANY PROFILE

Established in 2002

WHO WE ARE?

FANTAZIA was established in March 2002, mainly based in Abu Dhabi and over the past years, FANTAZIA has been a professional event management company here in UAE.

We are a team of experienced and talented event theme strategists, stage and stand designers, light and sound experts as well as event executioners and we have managed to obtain a credible list of suppliers to provide you with the highest quality services to make your dream event come to life.

Our growing client list includes prestigious, government entities, multi-national companies, as well as well-known local companies and organizations across the UAE. Almost anyone who has worked with us became a return client and has helped us to build our business with a reputation for being one of a kind in delivering events with creativity and ingenuity.

FANTAZIA has been actively providing conference strategic approaches, establishing communication protocols between planning committees, subcontractors, suppliers and program staff.

We also oversee procurement purchasing depending on the client's needs such as audio-visual equipment, social media marketing and branding, venue design execution and materials as well as event souvenirs and VIP gifts.

FANTAZIA is a company that you can rely on to find the best and most advanced quality service at a very competitive price.

WHY WORK WITH US?

WE offer a wide range of experience, creativity & knowledge in event planning services. We can cater to any type of event: big or small; private or public; personal or national. Our services include all facets of strategic event planning, that may be requested either as a package or ala carte.

Our team of experts has considerable experience in creating and managing themed events designed specifically to meet client's objective within considerable budget. Our creativity and excellent working communications skills have provided us with high client retention rates especially with world class organizers and renowned companies here in UAE.

MISSION: To be the leading company that offers the most creative, exceptional and unforgettable events to the entire UAE.

STRATEGY: Business continuity relies heavily on creativity. We also incorporate cutting edge technology to continuously improve our skills and services to provide you the best solution to meet the increasing demands in the market.

OUR SERVICES

FANTAZIA is selection of rental pro audio equipment is second-to-none in Abu Dhabi, and when combined with our years of experience in live sound production, you'll find an unmatched concert experience. Fantazia's engineers have been behind the console of some of UAE's most high profile concerts and events, and you can take advantage of our expertise when you bring us in to produce your live music event. From speakers, microphones, amplifiers, and mixing consoles, to the engineers and stagehands that bring the sound to the audience, Fantazia provides the first class systems and people for a clean, professional production.

Of course, there is more to a concert than just sound; that's why Fantazia carries a variety of concert lighting options, including stage wash, LED color wash, intelligent lighting, and spotlights. And video projection systems, LED video walls and accents to make an average event experience truly extraordinary.

FANTAZIA has the state-of-the-art equipment, knowledgeable staff, and competitive pricing to guarantee the success of your concert, event, or rental.
